If the entries in the first row are equal, say equal to $\frac{1}{n}$, then the highest value for the first row is $\frac{1}{n}$. If the entries in the first row are not equal, then the highest value for the first row is less than $\frac{1}{n}$. If the entries in the first row are not equal, then the highest value for the first row is less than $\frac{1}{n}$. If the entries in the first row are not equal, then the highest value for the first row is less than $\frac{1}{n}$.

The highest number of responses will be selected for independent review by the highest number of reviewers. The information collected is reported to the public which is reviewed by the PSHF. The review is an advisory and confidential, is governed by 35 U.S.C. § 217 and 35 U.S.C. § 218. The information is available to the public at the time of the review. Any comments, including gathering information, are invited by this form and/or suggestions for improvement of the process may be sent to the Technical Officer, U.S. Patent and Trademark Office, P.O. Box 1450, Alexandria, VA 22304-1450. For information, contact P.O. Box 1450, Alexandria, VA 22304-1450.
